## SHORT TERM CAMPING

The Chicago Council maintains four Short Term Camps close to the city of Chicago which are readily available to all Chicago Council Units. Camps Fort Dearborn, Harrison and Crete are available for short term camping 12 months a year. Camp Kiwanis is used for short term camping from Sept. 1 to June 30 and during the summer months is operated as a summer camp.

**Short Term Reservations:** Each unit desiring the use of a tent site or cabin on one of the Council short term camps must first secure a permit from the camping service. Permits are issued on the following basis:

### Tent Camping

Sites for tent camping are available at each of the short term camps. Reservations may be made through the camping service and are made on a first come—first serve basis. Reservations may be made by telephone, mail or in person at the Council Service Center.

### Cabin Reservations

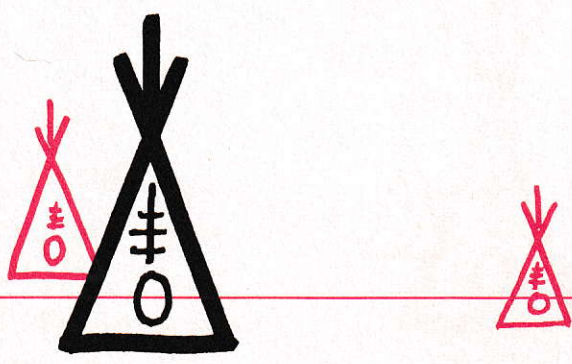

Cabins are available at Camps Ft. Dearborn, Kiwanis and Harrison. In order to give each district an equal opportunity for the use of cabins, they have been scheduled on a pre-arranged District basis for each weekend from Sept. 1 to June 30. Unit reservations must be made through the District Camping Chairman. The districts schedule will be honored up until three weeks before the scheduled weekend. If at that time there are cabins not reserved they will be made available to any unit from any district. Reservations for use on a week day or during the summer can be made directly with the camping service. We urge units, however, not to allow cabin living to replace tent camping.

**Fees for Short Term Camping:** A grounds fee of ten cents (\$.10) per person per night is charged for the use of all council short term camps. This fee is payable to the Ranger before the unit leaves camp. In the case of Camp Crete, where a ranger is not on duty full time, the fee should be mailed to the camping service.

## SUMMER CAMP—1962

### Owasippe and Kiwanis

The Chicago Council operates two summer camps for the Scouts of the Chicago Area. Both camps provide a real Scout Camping program with a major emphasis on Scouting, on Scouting skills and the opportunity for advancement. Importance is placed on the Troop and Patrol program conducted under their own leadership and assisted by the camp staff. Program opportunities include all phases of aquatics, boating and canoeing as well as life-saving and swimming; also archery, hiking, camping, nature study and campcraft.

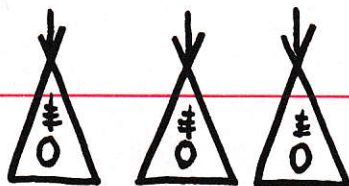

Six different plans and fee schedules are available to give the maximum opportunity to all units and Scouts to attend summer camp.

Although most of our units attend camp for a two week period, the schedule is based on one week periods and gives a camping opportunity to many units who might not camp otherwise. The Camp Committee strongly urges that you consider going to camp for two weeks.

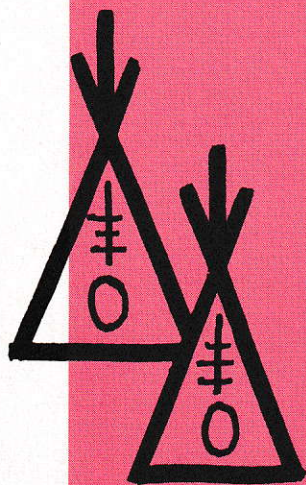

### THE OWASIPPE SCOUT RESERVATION

Beautiful woodlands along lakes and streams make up Owasippe's 10,000 acres in Muskegon County, Michigan. More than 100 miles of marked trails lead the Chicago Scouts into the beautiful vales all through the reservation.

A maximum of 1100 Scouts can be camped at any one time in the five section camps that make up the reservation.

### CAMP KIWANIS

Located in the Cook County Forest Preserve, just south of Willow Springs, Camp Kiwanis offers a Scout camp program equal to most wilderness camps. Within "shouting distance" of our great city, this area abounds in wildlife, and the hiking trails are sufficient to appeal to the most avid camping troops.

GENERAL INFORMATION

## LONE TROOP CAMPS

The Chicago Council has the responsibility for approving the operation of a lone troop camp, whether it be on or off the council campsite. When such a camp is conducted, certain problems arise in assuring a safe and satisfactory camping experience. In accordance with National Council policies, the Council Camp Committee, therefore, requires all troops desiring to conduct long-term camps on their own to give certain assurances as to leadership, program, equipment, health, and safety, transportation and fees.

### APPLICATION FOR AUTHORIZED CAMP

A unit wishing to conduct a long-term camp off the council site should notify the Council Camping Service. An "application for permit to operate a lone troop camp" will be forwarded to the unit committee. This application should be filed by May 1, if possible, and no later than 35 days in advance of the unit's departure for camp. The application serves two purposes: It serves as a guide to the unit in planning for its long-term camp and it informs the Council of those plans.

### LOCAL PERMIT

A "Lone Troop Camp" charter will be sent to all units with approved applications. Applications for unit camps which do not meet the prescribed standards will be returned with suggestions for correcting or improving the plans for camp so that they will meet the minimum standards. It is the Council's desire to be helpful to your unit in working out your plans for a successful camp for your Scouts.

### OFF COUNCIL CAMPS AND HIKING TRAILS

There are many short term camping opportunities and hiking trails outside of our Council Camps, yet close enough to Chicago to be available to most of our Scout units. A booklet listing these off council camp sites and hiking trails is available at the Camping Service on request. Just ask for the "Camping Portfolio."

## TOUR PERMITS

### Local Permits

For the area within 250 miles of Chicago, the Chicago Council is responsible for the adequate supervision of all trips and tours of organized Scouting groups from the Council. The Council, therefore, requires that each Scouting group traveling within this limit secure a Local Tour Permit.

The sample "Local Tour Permit" application is included in this guide. These applications are available from the camping service on request, and should be submitted to the camping service at least ten days before the date of departure.

A tour group must have its tour permit in its possession at all times, and must display it when requested by Scout officials or other duly authorized authorities.

### National Permits

Organized Scouting groups planning tours beyond 250 miles of the Council area are requested to secure National Council Tour Permits. Applications for National Permits are available at the Camping Service and must be submitted to the Chicago Council at least four weeks prior to the date of the unit's departure. After approval by the Chicago Council, the application is forwarded to the National office from where the permit is issued.

## TOUR MANUAL

A Manual "TOURS AND MOVING CAMPS" is available from the Trading Post. This manual has been developed to aid in planning successful trips, to safeguard the movement of its members, and to assist local councils in fulfilling their responsibilities for giving approval to the touring groups of the Council. Any unit planning a trip or tour will find this manual most helpful as the plans are developed.

## PHILMONT SCOUT RANCH

The Philmont Scout Ranch is located near Cimarron, New Mexico and is surrounded by towering mountains and vast virgin woodlands. Philmont offers a "highlite in camping" for Explorers and Scouts over 14 years old . . . 12 days of camping high in the Rocky mountains . . . Fishing for trout in fast running mountain streams . . . Riding horses and packing burrows . . . Living with wildlife, deer, bear, antelope, and elk . . . Climbing atop Waite Phillips Mountain, 11,700 ft. above sea level . . . Reliving the Story of Kit Carson . . . These and many more are available at Philmont.

Two Philmont plans are available:

- I. *The Council Philmont Expedition*—for Explorer units or individual Scouts and Explorers.

The Chicago Council will make all plans for transportation, food and side trips for the complete trip.

Philmont provides food, tentage and all facilities needed at Philmont.

Explorers provide their own personal gear.

### Cost

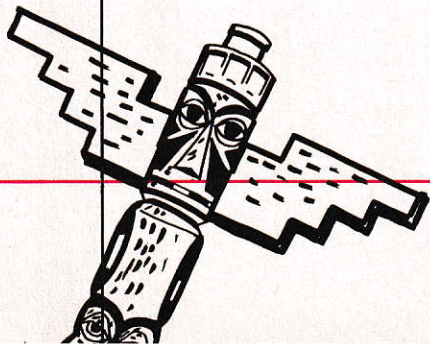

The total trip, including transportation, food, side trips and Camp fees will cost \$146.00 per person.

### Dates

Leave Chicago on July 26 and arrive back in Chicago on August 10.

### How to Register

Reservations can be made with the Council Camping Service.

## II. *Explorer Unit Expedition*

### **Cost**

The 12 day expedition costs each explorer \$42.00. This includes food, tentage, and all facilities. This does not include individual camping equipment or transportation to and from Philmont.

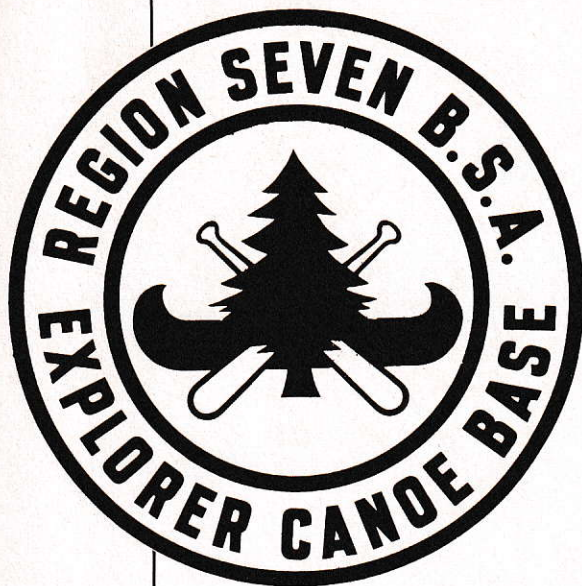

### **Dates**

The Philmont camping season opens on June 20. The last check in date is August 20. Your expedition may begin on any day in that season.

### **Size of Groups**

Philmont has no minimum or maximum size for groups. However, for every ten Explorers there will be no charge for one adult leader. An adult leader must accompany each group.

## REGION SEVEN CANOE BASE

### An Explorer Super Activity

The Region Seven Explorer Canoe Base, one of the "Big Three" National Council Camps, is located on White Sand Lake, near Boulder Junction, in Northern Wisconsin. With the famed Manitowish, Flambeau and Wisconsin Rivers, hundreds of lakes and small streams nearby, the "Canoe Country" encompasses nearly every kind of canoeing water. The land abounds in

the history of the Indian, Voyageur, and Lumberjack; still throbs with wildlife—the muskie, bass, pike, perch, deer, porcupine, bear, fox, eagle and loon.

### Cost

A seven day canoe trip from Region Seven Canoe Base costs each Explorer \$31.50 (cost per Explorer is higher in groups of less than 8). This includes supper in the dining hall on arrival, food supplies for the trail, supper and lodging on the day you come off the trail, and breakfast before departing for home. This fee also includes the training of your voyageur. Each group must have its own adult leader. No fee is charged for one adult leader when 8 or more take the trip and pay the fee. Posts with 13 or more must operate as two groups on the trail, with each group having its own voyageur and adult leader. (There is no added charge for the training of this second voyageur.)

### Payment of Fees

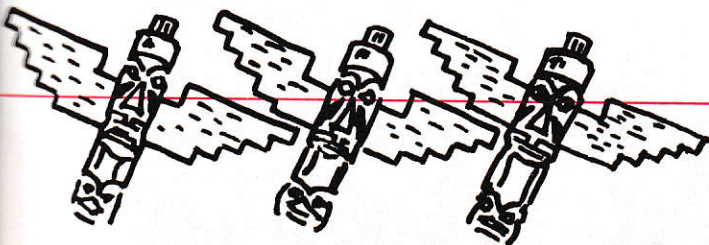

Each application must be accompanied by \$5.00 per person. The next \$10.00 per person is payable by April 15. The remaining balance of \$16.50 per person is payable by June 15. The registration fee of \$5.00 is nonrefundable after May 15.

### Outfitting (included in Base Fee)

All groups are outfitted with the latest and best canoe trail equipment available from the Boy Scouts of America Supply Service. Equipment includes 120 canoes, ash and spruce paddles, group cook kits, food, packs, axes, trail tents (baker, camper, explorer, voyageur) and dining shelters, trench shovels, etc.

Each individual must provide his own personal gear such as bed roll, clothing, toilet articles, etc.

**Reservations and Dates** — Reservation forms and the schedule of open dates are available at the camping service. All reservations are on a first come first serve basis.

## HIKING TRAILS

Within a day's travel from Chicago there are many hiking and camping opportunities available to Scout units. Space does not permit the listing of all such areas, however, on the next two pages, we will list the more popular hiking trails.

Reservations can be made by writing to the address indicated and tour permits, available from the camping service, are required.

## CAMP DEVELOPMENT PROGRAM

Great things are ahead for Chicago Council Scouts as the Camp Development Program gets under way. The first signs of your campaign dollars at work can now be seen.

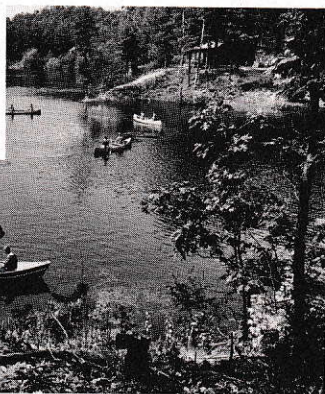

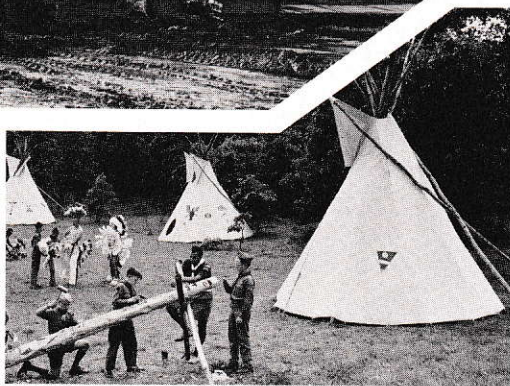

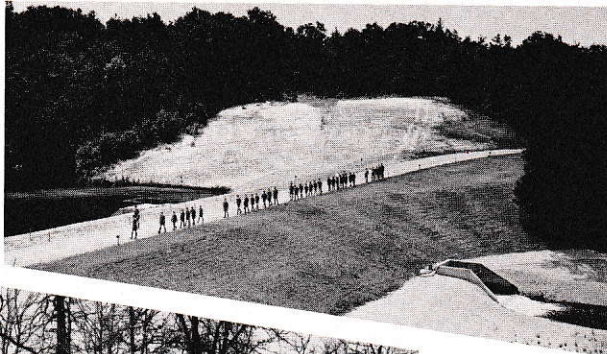

the new parking lot at Camp Crete . . .  
the new doctor's cabin at Owaspippe . . .  
the new dam and lake redevelopment in the  
Wolverine area at Owaspippe . . .

Since the campaign started, the watercraft fleet at Owaspippe has been increased by ten new aluminum canoes and sixty new aluminum rowboats. The construction at the new Yorkville near-in camp is now under way with a scheduled completion in the fall of 1962.

Yes—the future is bright for Chicago Council Scouts who will soon have the finest camping facilities available anywhere in the nation. Your pledge dollars are making this dream come true.

## GENERAL INFORMATION

## HOW TO GET YOUR UNIT TO CAMP

1. Fill out the enclosed Hold-A-Place card and mail to the Council Service center now. The \$20.00 Hold-A-Place reservation should accompany this application.
2. Be sure you have a camping man on your unit committee and that he attends the District Roundtable Meetings. **ALL MATERIALS AND BULLETINS ARE DISTRIBUTED THROUGH THE MONTHLY ROUNDTABLES.**
3. Use the available tools for promoting camp in your unit.
  - a. Camp savings plan
  - b. Camp Slides (available at the Camping service center)
  - c. Your district Camping Chairman and the District Order of the Arrow Chapter are ready and willing to help you with your camp promotion.
4. Inform the parents. Make your summer plans early—share them and your camp problems with the parents of the boys in your unit.
5. Promotion must begin NOW.

## HELP YOUR SCOUTS SAVE FOR CAMP—HERE'S HOW IT WORKS!

1. Camping Service will provide you with two savings cards for each Scout. (free)
2. Unit Leaders and Unit Committee determine how much each punch is worth.
3. Scribe (under supervision of committee Treasurer) keeps one set of cards.
4. Scout keeps duplicate as his receipt.
5. When Scout makes deposit, Scribe places both cards together and punches through both cards up to value of total deposit; thus 20¢—2 punches, 30¢—3 punches.

## TROOP COMMITTEE MEETING ON SUMMER CAMP

- I. Show "The Year Round Camping Troop" filmstrip
- II. Discussion on summer camp
- III. Select Leadership
  - A. Leadership necessary
  - B. Plan of recruiting
- IV. Select camp dates—plan

- VI. Set up Sub-committees
  - A. Leadership
    1. Goal: 1 full time leader for each ten boys in camp.
    2. Follow up on recruiting.
  - B. Promotion
    1. Goal: Every Scout in camp.
    2. Plan and run parent meeting.
    3. Meet with parents at home if necessary.
  - C. Finance and Equipment
    1. Goal—Troop adequately equipped and financed for camp.
    2. Secure finances needed for troop equipment.
    3. Set up and promote camp savings plan.
    4. Plan special help for needy boys.

## RESERVATIONS AND FEE PAYMENTS

### How to Register

Reservations are now being accepted at the camping service. Unit reservations must be accompanied with a \$20.00 reservation fee. This fee is not refundable and applies toward the total camp fee.

### Scout Partial Payments

Before Feb. 1, 1962, a \$5.00 per Scout partial payment must be made for each Scout for whom you desire to reserve space. These fees are transferable but not refundable. The balance of the fee is due before the unit leaves for camp.

### Individual Boy Fees—Provisional Units

For individual Scouts who are registering in a provisional unit, the Scout registering must pay a \$5.00 reservation fee. These fees are transferable but not refundable. The balance of the fee is due before the Scout leaves for camp.

### Camp Leadership Fees

Each unit must be under the leadership of an adult (21 yrs. of age or older) at all times. Additional leaders must be at least 18 years of age. One leader attends camp free for each eight scouts attending a full period. Pro-rating the free leaders fee will be on the following basis.

Scouts Attending Full Period	Number of Free Leader Fees
4- 7	1/2 Leader Free
8-11	1 Leader Free
11-15	1 1/2 Leaders Free
16-19	2 Leaders Free
Each additional 4	1/2 Leader Free
